
Admissions Policy

VFS's admissions policy requires that students must be 19 years of age or older or have graduated from Grade 12 or equivalent. Students must also meet ESL and program specific requirements for the program. If students are under 19 years old at the date of the contract, one of the students' parents or legal guardians will sign the contract and will be liable to pay the student's fees under the contract.

Upon successful completion of the program, the student will be issued a Diploma or Certificate (depending on the program). By accepting the Student's Enrolment Application, VFS does not warrant or represent that the student is suitable for the program, will successfully complete the program, or will find employment upon completion of the program.

The student understands that, as with any college, university, or school, VFS does not promise to acquire employment for the student upon completion of the program and that VFS does not act as an employment agency.
